behalf or in the interests of Janet Maris Marcusse from this date forward, February 11, 2005. David Kaczor's past defense record has been investigated and it clearly demonstrates that not only is he completely ineffective as a defense counsel in this type of case, but that he has been used as a prosecutorial tool. There is no acceptance of this contract.

With this writ, I claim, under penalty of perjury, under the laws of the United States of America, without the "United States", that I am at least 18 years of age, a Citizen of one of the several states of America, with the volition for the security of all of my Rights, that the foregoing is true, complete, correct and not misleading.
