

COMPLAINT

1:04CR165 FILED

Attn: Sheriff Meacer, Newaygo County

RENEE M. ... CLERK
U.S. DISTRICT COURT
WESTERN DISTRICT OF MICH

Magistrate Carmody has issued an order that my handwritten filings are not to be accepted. I know there is a computer, printer and paper down stairs in the school classroom. In spite of Kites asking for access to a typewriter or computer and printer, I have received no answer. This is a violation of the Prisoner Reform Act of 1997. I look forward to you remedying this situation as to continue to deny me access to the computer and printer is denying me my due process and access to the courts.
